Worksafe Smas WORKSAFE

Full validation of this certificate should be made via the SSIP Portal www.ssipportal.org.uk

Smas Worksafe certification has been achieved following an assessment of the company's Health & Safety documentation, and compared against the SSIP core criteria, which set out the standards required to achieve this certification.

The company has achieved certification by meeting the required standards, where applicable, in the following areas:

- ✔ Identity
- ✔ Health & Safety

Some of our trusted clients:

As part of your Smas Worksafe certification your company details have been placed on the Smas Worksafe Client Portal which allows all client users to view your trade and contact details and contact you for tender opportunities as they see fit.
